Limited Warranty:

Residential & Commercial Warranty: Stiebel Eltron warrants to the original owner that the CK 15E/CK 20E will be free from defects in workmanship and materials for a period of three years from the date of purchase. Should any part(s) prove to be defective under normal use during this period, Stiebel Eltron, Inc. will be responsible for replacement of the defective part(s) only. Stiebel Eltron, Inc. is not responsible for labor charges to remove and/or replace the defective part(s), or any incidental or consequential expenses. Should the owner wish to return the wall heater for repair, the owner must first secure written authorization from Stiebel Eltron, Inc. The owner shall be required to show proof of purchase date, and to pay all transportation costs to return the defective part(s) or wall heater for repair or replacement. Warranty is void if heater has been installed or used improperly or if design has been altered in any way.
